

# The implementation of **ESC** clinical practice guidelines meeting

**FARAYA**  
INTERCONTINENTAL MZAAR  
14-15 March  
**2014**

Dear Colleagues,

The Executive Committee of the Lebanese Society of Cardiology, since its mandate in June 2013 and follows the request of the European Society of Cardiology the continuing medical education program of the National Societies, will renew the spirit of the regional scientific meetings.

Our planned symposium in Faraya on March 14-15 will be the first of a series of symposia, which will be enrolled across all Lebanese regions up until the end of our mandate in June 2015. The program for the March meeting will be dedicated on the European Guidelines for CVD Prevention and includes Hypertension, Dyslipidemia and Diabetes.

Looking forward for your active participation,

Sincerely,

Nicolas Moussallem, MD, FESC, FACC  
President, Lebanese Society of Cardiology
